ELIGIBLE COLLATERAL SCHEDULE EXAMPLE 4

Eligible Collateral (IM) Schedule

The assets set forth in the table below under "Items of Eligible Collateral (IM)" will qualify as Eligible Collateral (IM) as long as, subject to the other terms of this Annex, such assets also meet the following conditions:

a. Any debt obligation, or the issuer of such debt obligation, must have a Rating equal to or higher than one of the ratings shown in the Eligible Collateral (IM) Table below applicable to such issuer.

"**Rating**" means either:

(a) a rating of the debt obligation for long-term or short-term debt published by at least one of Standard & Poor's Ratings Services ("**S&P**"), Moody's Investor Service ("**Moody's**") or Fitch Ratings Inc. ("**Fitch**"), provided that any short term rating may only be taken into consideration if it applies to the relevant debt obligation, or
(b) if the debt obligation does not have a rating under (a), a long-term rating of the issuer of the debt obligation published by at least one of S&P, Moody's or Fitch.

Defined Terms

"**AAA/Aaa to AA-/Aa3 Ratings Band**" means that the Rating in respect of a debt obligation is between AAA/Aaa and AA-/Aa3 for long-term ratings and A-1+/F1+/P-1 for short-term ratings.

"**A+/A1 to A-/A3 Ratings Band**" means that the Rating in respect of a debt obligation is between A+/A1 and A-/A3 for long-term ratings and A-1/F1/P-2 for short-term ratings.

"**A+/A1 to BBB-/Baa3 Ratings Band**" means that the Rating in respect of a debt obligation is between A+/A1 and BBB-/Baa3 for long-term ratings and between A-1/F1/P-2 and A-3/F3/P-3 for short-term ratings.

"**Corporate Bonds**" means any debt security issued by any corporation which is not a special purpose vehicle (howsoever described) organized and existing under the laws of one of the 50 states comprising the United States of America which:

(a) is in the form of bonds or notes;
(b) is denominated and payable by its terms solely in United States Dollars;
(c) has an original maturity of thirty years or less;
(d) with respect to any single corporation shall comprise no more than $15,000,000 of the Posted Credit Support (IM) posted by the Pledgor; and
(e) is not (1) a convertible bond; (2) a zero-coupon bond; (3) a wrapped or insured bond; or (4) a subordinated obligation.

Notwithstanding any of the foregoing, the Secured Party may reject as collateral any Corporate Bond otherwise meeting the requirements set forth herein for a good faith business purpose exercised in a commercially reasonable manner, and if rejected from delivery or scheduled to be returned, the Pledgor shall provide Substitute Credit Support on such Valuation Date or, if the demand is made after 1:00 p.m. New York time, then by no later than the next Local Business Day.

"**Group 1 Debt**" means negotiable debt obligations issued by:

U.S. Treasury Department
Central government of Canada
Central government of the French Republic
Central government of the Republic of Germany
Japan on the Bank of Japan book entry system
Central government of the United Kingdom
